

WeSCALE

Capacity building program for Women Entrepreneurs

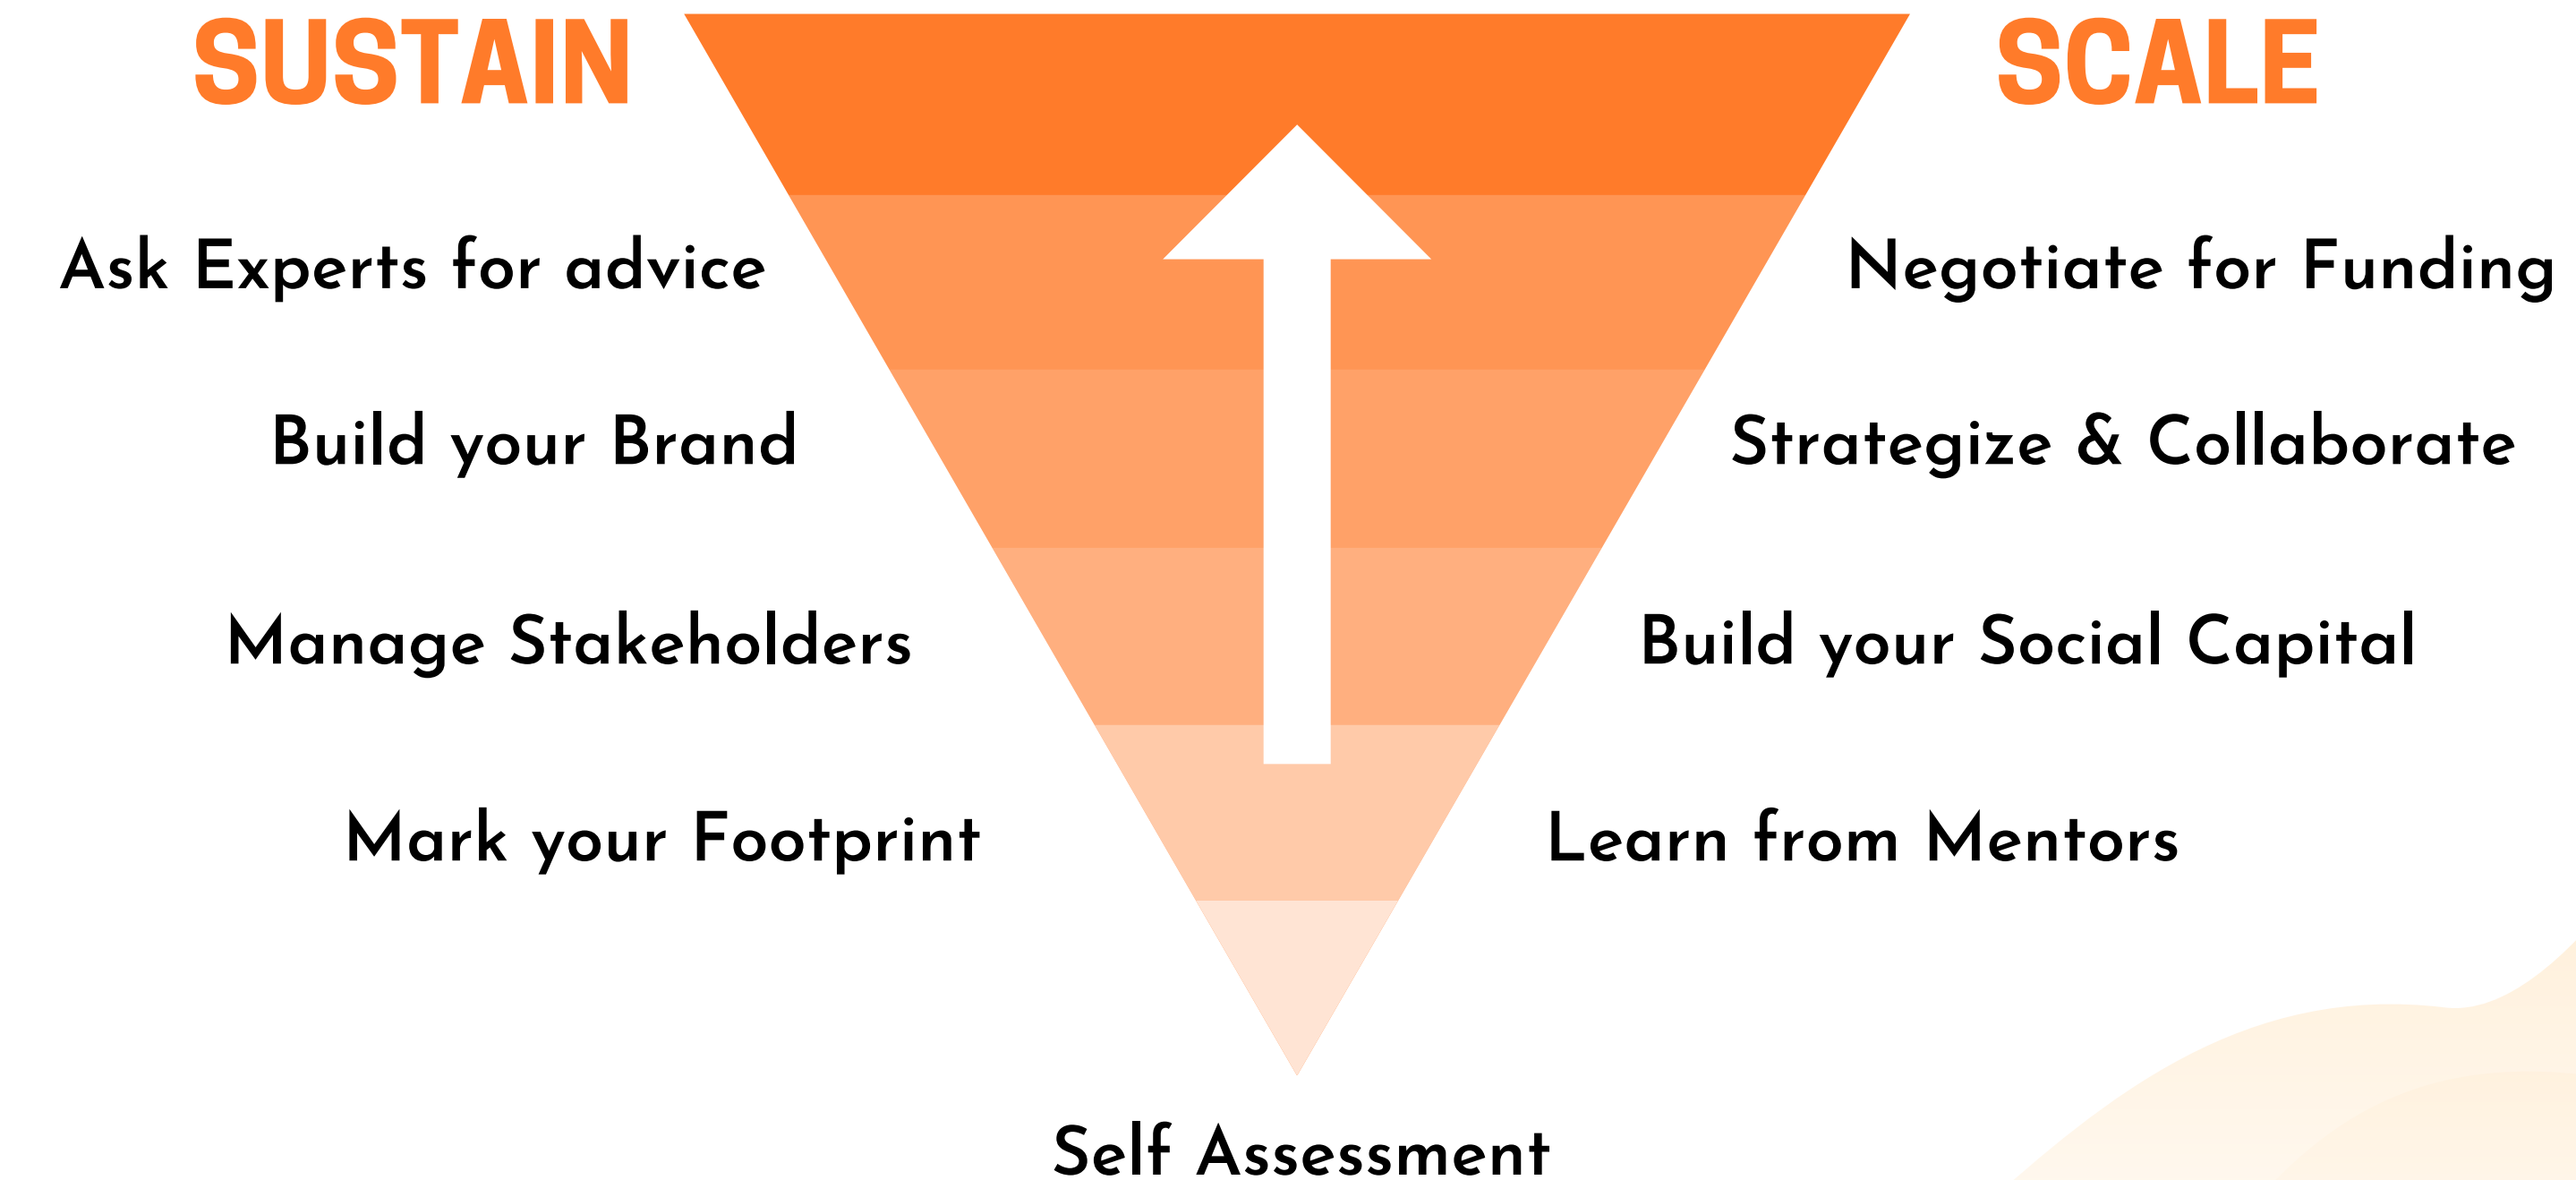

About the Program

Curated by Women Entrepreneurs: Addressing all aspects where women could lag behind or give up

Program Design & Customization: Taking into account the specific requirements of the Cohort—their unique strengths & challenges

Develop Leadership Skills: Program focuses specifically on the key leadership issues women face while trying to scale

Program Model

Program Structure

- Expert sessions
- 1:1 mentorship support*
- Peer networking
- Simulations, experiential & case studies
- Self-paced structured online learning
- Mock pitch session with VCs and investors

* We will assign mentors according to the founder's needs making sure that the match fits well with their profile, long term goals and aspirations. Seek guidance, get hand holding and advice from these successful entrepreneurs who want to nurture and selflessly give back to others.
