## A glance at 2023 Conference

In November 2023, our 8th Annual Conference brought together over 250+ change-makers from around the globe, uniting minds committed to shaping an 'EQUIVERSE' - a Universe where equity is the norm.

The event, centered on fostering dialogues and sharing insights, showcased key highlights:

- 'Equiverse' Concept Unveiled: The urgency of gender equity for a sustainable world was emphasized.
- Keynote Wisdom : The importance of investing in women's health and freedom from abuse was underscored.
- Balanced Workplaces Insights: Innovative workplace strategies for promoting gender balance were shared
- Dimensions of inequity in society, education, policymaking, and workplaces were discussed.
- Transformative power of education, advocating for changes in curriculum and pedagogy were highlighted.
- Urban planning and gender budgeting insights were shared to create safer and more inclusive spaces.

More than an event, the conference was a convergence of ideas, experiences, and commitments. As we reflect on these highlights, the journey towards the Equiverse remains ongoing.

Stay tuned for a detailed conference report, detailing actionable steps identified during this transformative experience.
